

The Kiddiwash Hand Washing Song

We wash off all the dirt and grime
Then give our hands a swill
We wash off all the dirty germs
So they can't make us ill

We wash our hands before we eat
We give the soap a squirt
We rub our fingers and our thumbs
To wash off all the dirt

We wash off all the dirt and grime
Then give our hands a swill
We wash off all the dirty germs
So they can't make us ill

We get our hands wet in the sink
And give the soap a squeeze
We wash off all the dirty germs
And help to stop disease

We wash off all the dirt and grime
Then give our hands a swill
We wash off all the dirty germs
So they can't make us ill
